THE HERITAGE OF KART

The logo for Finland X30, featuring the word "FINLAND" in a grey, stylized font and "X30" in a large, red, stylized font, both with black outlines.

Welcome to participate in the biggest and greatest karting series in Finland! We are happy that you've chosen us. We do our best in developing our product continuously, so you'd have better circumstances to do this great form of motorsport. Our X30 organisation is here to serve You and we are always thinking how we can improve. There are three main targets in our vision: equality, low cost and maximum publicity.

Welcome to race with us in 2017!

Rauli Kärki
