

REGISTRATION CHECK LIST

DIGITAL REGISTRATION SYSTEM

Make sure that your data is updated. Double check chassis brand and transponder number. Also bear in mind that the scrutineering cards are created automatically from the data. You can log in with computer, tablet or phone and update at any time.

LICENSE AND ID

If you're underage, you need your guardian also present in registration. If you have a foreign national license, you need the permission letter from your ASN. License card is always needed with and official ID card.

PAYMENT

If you have pre-paid all costs, have a proof of that as backup. If you haven't pre-paid everything, you can pay entry, tires, eco fee, practice fees and possible other fees at track flexibly in cash or with a bank or credit card.
