

SCRUTINEERING CHECK LIST

REGISTRATION AND DATA

Your entry must be accepted in registration before scrutineering. Make sure that all information in the registration system is up-to-date. In the scrutineering process, the safety of kart and equipment will be checked. Double check engine numbers.

KART AND DRIVING GEAR

You need a complete kart without tires in scrutineering, driving suit, shoes and helmet. The homologation period of the helmet must be valid. All scrutineering remarks must be fixed without a delay.

TIRE DISTRIBUTION WITH VOUCHER

In the scrutineering process, you will get also race tires. When you give your tire voucher which you got from registration, you can pick one of the tire sets without touching any others. It fair and square - equal chance for all.
